Dear Friend:

Congratulations on becoming a registered voter in your county! You have taken a very important step toward empowering our community and making a difference in the quality of lives. By voting, you will be exercising the most powerful tool available to citizens in making government work for them.

As a voter you must remember that your commitment is critical. You must stay informed and vote in every election. Also, remember that you have to register for the following reasons:

1) If you move
2) If you change your name
3) If you do not vote in a presidential election

We know that you will take your new responsibility seriously. Therefore, we want to inform you why we will be working hard in the upcoming Presidential elections. We are working for CHANGE!

- CHANGE that will eliminate the soaring unemployment rates.
- CHANGE that will seek to provide quality health care for all people.
- CHANGE that will secure affordable housing for all who need it.
- CHANGE that will eliminate the drugs and violence from our neighborhoods.

That is why we are supporting two candidates that we know will bring this needed change: BILL CLINTON and ROBERT MENENDEZ!

ROBERT MENENDEZ - Mayor of Union City, former Assemblyman and current State Senator, has dedicated his life to public service and has the legislative experience and capability to represent our interests in Congress. He would also be the first Hispanic Congressman from New Jersey.

BILL CLINTON has the vision and skills that we need in a President, to make the changes needed to ensure a brighter future for us and our children.

ON NOVEMBER 3 VOTE LINE B - VOTE DEMOCRAT - OUR FUTURE DEPENDS ON IT!!!
